## REMARKS

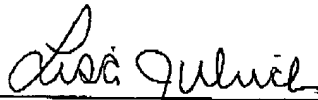

Applicants received a Notice of Drawing Inconsistency dated July 13, 2003, which detailed a discrepancy between the Brief Description of the Drawings and the drawings. More specifically, Figures 2J and 3J are listed in the Brief Description of the Drawings, but are not included drawings.

In response, Applicants have amended the specification such that the Brief Description of the Drawings no longer references Figures 2J and 3J.

Applicants respectfully submit that they have been fully responsive to the Notice of Drawing Inconsistency and therefore, request withdrawal of such Notice.

Respectfully Submitted,

Markus Schmidt
